HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-019-44149-8>, published online 21 May 2019

The version of this Article previously published contained lower resolution images for Figures 1, 2, 3, 4, 5 and 6. This has now been corrected in the PDF and HTML versions of the paper.
